FAST TRACKS TIE TEMPLATE

Crossing

Scale	**S**		Size
Outside Radius		Inside Radius	**14°**
Produced To NMRA Standards	Mar 2006	V 2.00	

Printing Instructions:
- Select the Print option in the Adobe toolbar.
- Be sure that all page scaling, and fitting options are turned off.
- Setup your printer to use the highest possible quality settings.
- Select 8-1/2" X 11" (Letter) paper in landscape mode.
- Confirm that the template has been printed at the correct size by measuring the scale with a ruler or vernier caliper.
- If the template is printed on multiple pages, use the targets to align the pages and fasten them together.

Notes:
1. The location of the rails is for reference only and should not be used for the placement of rail.
2. We are always updating and refining our printable tie templates. Always be sure that you are using the most recent version.
3. For a complete selection of up-to-date templates, visit us on the web at www.handlaidtrack.com.
4. Shaded ties indicate the location of the PC Board ties.
5. Gaps that are needed for DC and DCC compatibility are indicated with a blank area on the shaded ties.
